- Requests for 100% of project costs.
- Applicants who have failed to acquit previous RADF grants. Additionally, the following will not be considered for funding:
- Framing or freight only a small proportion of these costs can be covered as part of presentation costs for significant exhibitions. As a guide only, 10% of the total framing and freight costs would be considered a small proportion.
- Catering costs, openings, launches and parties are not eligible for RADF grants, even if they are part of an exhibition or community project.

- Competitions they are prolific and could monopolise funds. The competitive environment does not necessarily nurture emerging artists, as there is generally only one winner.

 RADF Committee considers the purchase integral to that project and where the item will remain
 available for community use.
- Project management or administrative assistance costs.

HOW WILL YOUR APPLICATION BE ASSESSED?

All applications will be assessed by the local RADF committee against the following criteria:

- Murweh Shire Priorities
- RADF Assessment Criteria
- Categories of Funding

What are the categories of funding?

Funding is available for individuals, groups or Councils under the following categories;

Individual Artistic Development

Individual artists and artsworkers living in Murweh Shire to attend professional development seminars or activities; master classes; mentorships with recognised arts and cultural peers; and placements with recognised arts and cultural organisations.

• RADF grants will support intrastate and interstate activities only. (Arts Queensland's Career Development grants support international activities, including overseas travel.)

Building Local Skills

for community groups to engage a professional artist or artsworker to work with them on developing their arts practice or to run arts development workshops or community projects.

- RADF grants will support travel, accommodation and fees associated with employing professional artists or artsworkers to work on community projects or workshops in the local community.
- Assistance is available for up to 65 per cent of the total costs of the project or workshop.
- This category is also open to Councils that wish to assume a co-ordination role for projects.

Vibrant Towns

 Murweh Shire is home to the communities of Charleville, Augathella, Morven and Cooladdi, each of which has a distinct personality and history. This priority is about creating a sense place in our towns which respects and highlights their heritage and character. Projects that bring our Shire alive through events, activities and celebration are encouraged.

Cultural tourism

For projects and activities that focus on communities' locally distinct arts, culture and heritage both for members of that community and for visitors.

RADF grants can support initiatives and activities that focus on:

- product development by professional artists, either as individuals or in partnership with individual community members or community groups
- marketing of professional artistic product.

Heritage

To preserve and provide access to locally held collections of significance, and collect and tell local stories from the past and the present that can demonstrate state and/or local significance.

Concept development

To develop arts and cultural research ideas and project proposals to the implementation stage and identify funding sources outside of RADF for further funding or project progression.

RADF grants will support individuals and groups who wish to engage in professional research and the development of ideas and project proposals to the implementation stage. No specific artform product is required; however, the project should demonstrate how it will contribute to future arts and cultural development. Potential funding sources for the implementation of the project do not need to be identified prior to making the application.

This category is also open to Councils.
