

# DA Form 1 – Development application details

Approved form (version 1.6 effective 2 August 2024) made under section 282 of the Planning Act 2016.

This form **must** be used to make a development application involving code assessment or impact assessment, except when applying for development involving only building work.

For a development application involving **building work only**, use *DA Form 2 – Building work details*.

For a development application involving **building work associated with any other type of assessable development (i.e. material change of use, operational work or reconfiguring a lot)**, use this form (*DA Form 1*) and parts 4 to 6 of *DA Form 2 – Building work details*.

Unless stated otherwise, all parts of this form **must** be completed in full and all required supporting information **must** accompany the development application.

One or more additional pages may be attached as a schedule to this development application if there is insufficient space on the form to include all the necessary information.

This form and any other form relevant to the development application must be used to make a development application relating to strategic port land and Brisbane core port land under the *Transport Infrastructure Act 1994*, and airport land under the *Airport Assets (Restructuring and Disposal) Act 2008*. For the purpose of assessing a development application relating to strategic port land and Brisbane core port land, any reference to a planning scheme is taken to mean a land use plan for the strategic port land, Brisbane port land use plan for Brisbane core port land, or a land use plan for airport land.

**Note:** All terms used in this form have the meaning given under the *Planning Act 2016*, the *Planning Regulation 2017*, or the *Development Assessment Rules (DA Rules)*.

EMR site identification:	
Listed on the Contaminated Land Register (CLR) under the <i>Environmental Protection Act 1994</i>	
CLR site identification:	

**5) Are there any existing easements over the premises?**  
*Note: Easement uses vary throughout Queensland and are to be identified correctly and accurately. For further information on easements and how they may affect the proposed development, see [unclear].*

Yes – All easement locations, types and dimensions are included in plans submitted with this development application

No

**PART 3 – DEVELOPMENT DETAILS**

## Section 1 – Aspects of development

### 6.1) Provide details about the first development aspect

a) What is the type of development? *(tick only one box)*

Material change of use  Reconfiguring a lot  Operational work  Building work

b) What is the approval type? *(tick only one box)*

Development permit  Preliminary approval  Preliminary approval that includes a variation approval

c) What is the level of assessment?

Code assessment  Impact assessment *(requires public notification)*

d) Provide a brief description of the proposal *(e.g. 6 unit apartment building defined as multi-unit dwelling, reconfiguration of 1 lot into 3 lots):*

Tourist activities (including tours) related to Outback Date farms agricultural enterprises.

e) Relevant plans

**Note:** Relevant plans are required to be submitted for all aspects of this development application. For further information, see [DA Forms guide](#), [Relevant plans](#).

Relevant plans of the proposed development are attached to the development application

### 6.2) Provide details about the second development aspect

a) What is the type of development? *(tick only one box)*

Material change of use  Reconfiguring a lot  Operational work  Building work

b) What is the approval type? *(tick only one box)*

Development permit  Preliminary approval  Preliminary approval that includes a variation approval

c) What is the level of assessment?

Code assessment  Impact assessment *(requires public notification)*

d) Provide a brief description of the proposal *(e.g. 6 unit apartment building defined as multi-unit dwelling, reconfiguration of 1 lot into 3 lots):*

That Outback Date farms establish a nature based tourist park consisting of camping areas for self contained RVs.

e) Relevant plans

**Note:** Relevant plans are required to be submitted for all aspects of this development application. For further information, see [DA Forms Guide](#), [Relevant plans](#).

Relevant plans of the proposed development are attached to the development application

**6.3) Additional aspects of development**

Additional aspects of development are relevant to this development application and the details for these aspects that would be required under Part 3 Section 1 of this form have been attached to this development application  
Not required

**6.4) Is the application for State facilitated development?**

Yes - Has a notice of declaration been given by the Minister?

No

**Section 2 – Further development details**

**7) Does the proposed development application involve any of the following?**

Material change of use	<input checked="" type="checkbox"/>	Yes – complete division 1 if assessable against a local planning instrument
Reconfiguring a lot		Yes – complete division 2
Operational work		Yes – complete division 3
Building work		Yes – complete DA Form 2 – Building work details

**Division 1 – Material change of use**

*Note: This division is only required to be completed if any part of the development application involves a material change of use assessable against a local planning instrument.*

**8.1) Describe the proposed material change of use**

Provide a general description of the proposed use	Provide the planning scheme definition (include each definition in a new row)	Number of dwelling units (if applicable)	Gross floor area (m <sup>2</sup> ) (if applicable)

**8.2) Does the proposed use involve the use of existing buildings on the premises?**

Yes

No

**8.3) Does the proposed development relate to temporary accepted development under the Planning Regulation?**

Yes – provide details below or include details in a schedule to this development application

No

Provide a general description of the temporary accepted development

Specify the stated period dates under the Planning Regulation

**Division 2 – Reconfiguring a lot**

*Note: This division is only required to be completed if any part of the development application involves reconfiguring a lot*

**9.1) What is the total number of existing lots making up the premises?**

**9.2) What is the nature of the lot reconfiguration? (tick all applicable boxes)**

Subdivision (complete 10)

Dividing land into parts by agreement (complete 11)

Boundary realignment *(complete 12)*

Creating or changing an easement giving access to a lot from a constructed road *(complete 13)*

**10) Subdivision**

**10.1) For this development, how many lots are being created and what is the intended use of those lots:**

Intended use of lots created	Residential	Commercial	Industrial	Other, please specify:
Number of lots created				

**10.2) Will the subdivision be staged?**

Yes – provide additional details below  
No

How many stages will the works include?

What stage(s) will this development application apply to?

**11) Dividing land into parts by agreement – how many parts are being created and what is the intended use of the parts?**

Intended use of parts created	Residential	Commercial	Industrial	Other, please specify:
Number of parts created				

**12) Boundary realignment**

**12.1) What are the current and proposed areas for each lot comprising the premises?**

Current lot		Proposed lot	
Lot on plan description	Area (m <sup>2</sup> )	Lot on plan description	Area (m <sup>2</sup> )

**12.2) What is the reason for the boundary realignment?**

**13) What are the dimensions and nature of any existing easements being changed and/or any proposed easement?  
(attach schedule if there are more than two easements)**

Existing or proposed?	Width (m)	Length (m)	Purpose of the easement? (e.g. pedestrian access)	Identify the land/lot(s) benefitted by the easement

**Division 3 – Operational work**  
 Note: This division is only required to be completed if any part of the development application involves operational work

**14.1) What is the nature of the operational work?**

Road work	Stormwater	Water infrastructure
Drainage work	Earthworks	Sewage infrastructure
Landscaping	Signage	Clearing vegetation

Other – please specify:

--

**14.2) Is the operational work necessary to facilitate the creation of new lots? (e.g. subdivision)**

Yes – specify number of new lots:

--

No

14.3) What is the monetary value of the proposed operational work? (include GST, materials and labour)

\$

#### PART 4 – ASSESSMENT MANAGER DETAILS

15) Identify the assessment manager(s) who will be assessing this development application

Murweh Shire Council

16) Has the local government agreed to apply a superseded planning scheme for this development application?

Yes – a copy of the decision notice is attached to this development application

The local government is taken to have agreed to the superseded planning scheme request – relevant documents attached

No

PART 5 – REFERRAL DETAILS

**17) Does this development application include any aspects that have any referral requirements?**

**Note.** A development application will require referral if prescribed by the Planning Regulation 2017.

No, there are no referral requirements relevant to any development aspects identified in this development application – proceed to Part 6

**Matters requiring referral to the Chief Executive of the *Planning Act 2016*:**

- Clearing native vegetation
- Contaminated land (*unexploded ordnance*)
- Environmentally relevant activities (ERA) (*only if the ERA has not been devolved to a local government*)
- Fisheries – aquaculture
- Fisheries – declared fish habitat area
- Fisheries – marine plants
- Fisheries – waterway barrier works
- Hazardous chemical facilities
- Heritage places – Queensland heritage place (*on or near a Queensland heritage place*)
- Infrastructure-related referrals – designated premises
- Infrastructure-related referrals – state transport infrastructure
- Infrastructure-related referrals – State transport corridor and future State transport corridor ✓
- Infrastructure-related referrals – State-controlled transport tunnels and future state-controlled transport tunnels
- Infrastructure-related referrals – near a state-controlled road intersection
- Koala habitat in SEQ region – interfering with koala habitat in koala habitat areas outside koala priority areas
- Koala habitat in SEQ region – key resource areas
- Ports – Brisbane core port land – near a State transport corridor or future State transport corridor
- Ports – Brisbane core port land – environmentally relevant activity (ERA)
- Ports – Brisbane core port land – tidal works or work in a coastal management district
- Ports – Brisbane core port land – hazardous chemical facility
- Ports – Brisbane core port land – taking or interfering with water
- Ports – Brisbane core port land – referable dams
- Ports – Brisbane core port land – fisheries
- Ports – Land within Port of Brisbane's port limits (*below high-water mark*)
- SEQ development area
- SEQ regional landscape and rural production area or SEQ rural living area – tourist activity or sport and recreation activity
- SEQ regional landscape and rural production area or SEQ rural living area – community activity
- SEQ regional landscape and rural production area or SEQ rural living area – indoor recreation
- SEQ regional landscape and rural production area or SEQ rural living area – urban activity
- SEQ regional landscape and rural production area or SEQ rural living area – combined use
- SEQ northern inter-urban break – tourist activity or sport and recreation activity
- SEQ northern inter-urban break – community activity
- SEQ northern inter-urban break – indoor recreation
- SEQ northern inter-urban break – urban activity

**18) Has any referral agency provided a referral response for this development application?**

Yes – referral response(s) received and listed below are attached to this development application  
 No

Referral requirement	Referral agency	Date of referral response

Identify and describe any changes made to the proposed development application that was the subject of the referral response and this development application, or include details in a schedule to this development application *(if applicable)*.

**PART 6 – INFORMATION REQUEST**

**19) Information request under the DA Rules**

I agree to receive an information request if determined necessary for this development application  
I do not agree to accept an information request for this development application

**Note:** By not agreeing to accept an information request I, the applicant, acknowledge:

- that this development application will be assessed and decided based on the information provided when making this development application and the assessment manager and any referral agencies relevant to the development application are not obligated under the DA Rules to accept any additional information provided by the applicant for the development application unless agreed to by the relevant parties
- Part 3 under Chapter 1 of the DA Rules will still apply if the application is an application listed under section 11.3 of the DA Rules or
- Part 2 under Chapter 2 of the DA Rules will still apply if the application is for state facilitated development

Further advice about information requests is contained in the DA Forms Guide.

## PART 7 – FURTHER DETAILS

**20) Are there any associated development applications or current approvals? (e.g. a preliminary approval)**

Yes – provide details below or include details in a schedule to this development application

No

List of approval/development application references	Reference number	Date	Assessment manager
Approval Development application			
Approval Development application			

**21) Has the portable long service leave levy been paid? (only applicable to development applications involving building work or operational work)**

Yes – a copy of the receipted QLeave form is attached to this development application

No – I, the applicant will provide evidence that the portable long service leave levy has been paid before the assessment manager decides the development application. I acknowledge that the assessment manager may give a development approval only if I provide evidence that the portable long service leave levy has been paid  
Not applicable (e.g. building and construction work is less than \$150,000 excluding GST)

Amount paid	Date paid (dd/mm/yy)	QLeave levy number (A, B or E)

**22) Is this development application in response to a show cause notice or required as a result of an enforcement notice?**

Yes – show cause or enforcement notice is attached

No

## 23) Further legislative requirements

### Environmentally relevant activities

23.1) Is this development application also taken to be an application for an environmental authority for an **Environmentally Relevant Activity (ERA)** under section 115 of the *Environmental Protection Act 1994*?

Yes – the required attachment (form ESR/2015/1791) for an application for an environmental authority accompanies this development application, and details are provided in the table below

No

**Note:** Application for an environmental authority can be found by searching "ESR/2015/1791" as a search term at [www.qld.gov.au](http://www.qld.gov.au). An ERA requires an environmental authority to operate. See [www.business.qld.gov.au](http://www.business.qld.gov.au) for further information.

Proposed ERA number:

Proposed ERA threshold:

Proposed ERA name:

Multiple ERAs are applicable to this development application and the details have been attached in a schedule to this development application.

### Hazardous chemical facilities

23.2) Is this development application for a **hazardous chemical facility**?

Yes – Form 536: Notification of a facility exceeding 10% of schedule 15 threshold is attached to this development application

No

**Note:** See [www.business.qld.gov.au](http://www.business.qld.gov.au) for further information about hazardous chemical notifications.

### Clearing native vegetation

23.3) Does this development application involve **clearing native vegetation** that requires written confirmation that the chief executive of the *Vegetation Management Act 1999* is satisfied the clearing is for a relevant purpose under section 22A of the *Vegetation Management Act 1999*?

Yes – this development application includes written confirmation from the chief executive of the *Vegetation Management Act 1999* (s22A determination)

No

**Note:** 1. Where a development application for operational work or material change of use requires a s22A determination and this is not included, the development application is prohibited development.

2. See <https://www.qld.gov.au/environment/land/vegetation/applying> for further information on how to obtain a s22A determination

### Environmental offsets

23.4) Is this development application taken to be a prescribed activity that may have a significant residual impact on a **prescribed environmental matter** under the *Environmental Offsets Act 2014*?

Yes – I acknowledge that an environmental offset must be provided for any prescribed activity assessed as having a significant residual impact on a prescribed environmental matter

No

**Note:** The environmental offset section of the Queensland Government's website can be accessed at [www.qld.gov.au](http://www.qld.gov.au) for further information on environmental offsets.

### Koala habitat in SEQ Region

23.5) Does this development application involve a material change of use, reconfiguring a lot or operational work which is assessable development under Schedule 10, Part 10 of the *Planning Regulation 2017*?

Yes – the development application involves premises in the koala habitat area in the koala priority area

Yes – the development application involves premises in the koala habitat area outside the koala priority area

No

**Note:** If a koala habitat area determination has been obtained for this premises and is current over the land, it should be provided as part of this development application. See koala habitat area guidance materials at [www.desa.qld.gov.au](http://www.desa.qld.gov.au) for further information.

### **Water resources**

23.6) Does this development application involve taking or interfering with underground water through an artesian or subartesian bore, taking or interfering with water in a watercourse, lake or spring, or taking overland flow water under the Water Act 2000?

Yes – the relevant template is completed and attached to this development application and I acknowledge that a relevant authorisation or licence under the Water Act 2000 may be required prior to commencing development  
No

Note: Contact the Department of Resources at [www.resources.qld.gov.au](http://www.resources.qld.gov.au) for further information.

DA templates are available from [planning.statedevelopment.qld.gov.au](http://planning.statedevelopment.qld.gov.au). If the development application involves:

- Taking or interfering with underground water through an artesian or subartesian bore: complete DA Form 1 Template 1
- Taking or interfering with water in a watercourse, lake or spring: complete DA Form 1 Template 2
- Taking overland flow water: complete DA Form 1 Template 3

### **Waterway barrier works**

23.7) Does this application involve waterway barrier works?

Yes – the relevant template is completed and attached to this development application  
No

DA templates are available from [planning.statedevelopment.qld.gov.au](http://planning.statedevelopment.qld.gov.au). For a development application involving waterway barrier works, complete DA Form 1 Template 4.

### **Marine activities**

23.8) Does this development application involve aquaculture, works within a declared fish habitat area or removal, disturbance or destruction of marine plants?

Yes – an associated resource allocation authority is attached to this development application, if required under the Fisheries Act 1994  
No

Note: See guidance materials at [www.daf.qld.gov.au](http://www.daf.qld.gov.au) for further information.

### **Quarry materials from a watercourse or lake**

23.9) Does this development application involve the removal of quarry materials from a watercourse or lake under the Water Act 2000?

Yes – I acknowledge that a quarry material allocation notice must be obtained prior to commencing development  
No

Note: Contact the Department of Resources at [www.resources.qld.gov.au](http://www.resources.qld.gov.au) and [www.business.qld.gov.au](http://www.business.qld.gov.au) for further information.

### **Quarry materials from land under tidal waters**

23.10) Does this development application involve the removal of quarry materials from land under tidal water under the Coastal Protection and Management Act 1995?

Yes – I acknowledge that a quarry material allocation notice must be obtained prior to commencing development  
No

Note: Contact the Department of Environment, Science and Innovation at [www.desi.qld.gov.au](http://www.desi.qld.gov.au) for further information.

### **Referable dams**

23.11) Does this development application involve a referable dam required to be failure impact assessed under section 343 of the Water Supply (Safety and Reliability) Act 2008 (the Water Supply Act)?

Yes – the 'Notice Accepting a Failure Impact Assessment' from the chief executive administering the Water Supply Act is attached to this development application  
No

Note: See guidance materials at [www.resources.qld.gov.au](http://www.resources.qld.gov.au) for further information.

**Tidal work or development within a coastal management district**

**23.12) Does this development application involve tidal work or development in a coastal management district?**

Yes – the following is included with this development application:

Evidence the proposal meets the code for assessable development that is prescribed tidal work (only required if application involves prescribed tidal work)

A certificate of title

No

Note: See guidance materials at [www.desi.qld.gov.au](http://www.desi.qld.gov.au) for further information.

**Queensland and local heritage places**

**23.13) Does this development application propose development on or adjoining a place entered in the Queensland heritage register or on a place entered in a local government's Local Heritage Register?**

Yes – details of the heritage place are provided in the table below

No

Note: See guidance materials at [www.desi.qld.gov.au](http://www.desi.qld.gov.au) for information requirements regarding development of Queensland heritage places.

For a heritage place that has cultural heritage significance as a local heritage place and a Queensland heritage place, provisions are in place under the Planning Act 2016 that limit a local categorising instrument from including an assessment benchmark about the effect or impact of development on the stated cultural heritage significance of that place. See guidance materials at [www.planning.statedevelopment.qld.gov.au](http://www.planning.statedevelopment.qld.gov.au) for information regarding assessment of Queensland heritage places.

Name of the heritage place:

Place ID:

**Decision under section 62 of the Transport Infrastructure Act 1994**

**23.14) Does this development application involve new or changed access to a state-controlled road?**

Yes – this application will be taken to be an application for a decision under section 62 of the *Transport Infrastructure Act 1994* (subject to the conditions in section 75 of the *Transport Infrastructure Act 1994* being satisfied)

No

**Walkable neighbourhoods assessment benchmarks under Schedule 12A of the Planning Regulation**

**23.15) Does this development application involve reconfiguring a lot into 2 or more lots in certain residential zones (except rural residential zones), where at least one road is created or extended?**

Yes – Schedule 12A is applicable to the development application and the assessment benchmarks contained in schedule 12A have been considered

No

Note: See guidance materials at [www.planning.statedevelopment.qld.gov.au](http://www.planning.statedevelopment.qld.gov.au) for further information.
