DESCRIPTION	GST	LG Act 2009	2024/2025
-------------	-----	-------------	-----------

NOTES:

Per passenger charges apply for Air Transport Operations (ATO) (see item no. X following).

Per passenger charges apply for closed charter flights (see item no. X following).

Use of the airport facility by aircraft operators is considered acceptance of published fees and charges.

Invoices advise when payment is due (generally 21 days from receipt). After this time the outstanding amount is considered overdue and a late payment fee is calculated as the greater of \$40.00 or 1.5% of the unpaid amount for each month or part month they remain overdue.

That aircraft for which charges are overdue for payment may be prohibited from using the airport, except in a declared emergency.

AVDATA are engaged to act as agent for the purpose of collecting specific airport charges, as per their Terms and Conditions.

General aviation fees and charges may apply to a landing, circuit work (training) or parking and are calculated as follows:

Landings (By movement)	Aircraft Weight	Amount GST included	Charge Type
	up to 1000kgs	\$13.00	minimum charge
	1001 to 5700kgs	\$13.00	per tonne of MTOW
